Wood's MDX20P

Dehumidifier for drying laundry with a pump

- **Removes up to 20 liters of moisture per day**
- **Powerful built-in pump**
- **Energy efficiently blows laundry dry**
- **Very quiet operation**
- **Up to 3 years warranty**

Wood's MDX20P dehumidifier is designed for small drying rooms and other living spaces without a floor drain. It dehumidifies up to 20 litres of water per day in an energy-efficient manner and has a powerful built-in pump for easy drainage. The adjustable top outlet efficiently dries your laundry and its quiet operation makes it perfect for rooms you spend a lot of time in. Wood's MDX20P has a washable filter, timer, child lock and restarts after a power cut. If you register the machine, you get a 3-year warranty.

Wood's article number: MDX20P
