

# Wood's MDX20P

Dehumidifier for drying laundry with a pump

- Removes up to 20 liters of moisture per day
- Powerful built-in pump
- Energy efficiently blows laundry dry
- Very quiet operation
- Up to 3 years warranty

Wood's MDX20P dehumidifier is designed for small drying rooms and other living spaces without a floor drain. It dehumidifies up to 20 litres of water per day in an energy-efficient manner and has a powerful built-in pump for easy drainage. The adjustable top outlet efficiently dries your laundry and its quiet operation makes it perfect for rooms you spend a lot of time in. Wood's MDX20P has a washable filter, timer, child lock and restarts after a power cut. If you register the machine, you get a 3-year warranty.

Wood's article number: MDX20P
