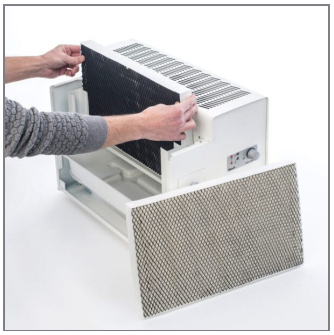
Wood’s Vienna HSW100 Replacement Filter (2-pack)

Filter for the Vienna HSW100 humidifier



- **Original filter for Wood's Vienna HSW100**
- **Wax cake design – maximum water absorption and humidification effect**
- **Antibacterial treatment for hygienic air humidification**
- **Carbon filter layer that absorbs unwanted odours**
- **2 filters per pack, replace at least once a year to extend the warranty**

Wood's Vienna HSW100 replacement filters (2-pack) are specially developed original filters for the Vienna HSW100 humidifier. They are made of high-quality wood pulp paper with a wax cake design that provides maximum water absorption and humidification. The filters are antibacterially treated and have a layer of carbon that absorbs odours, providing fresher and cleaner indoor air. Replace at least once a year for optimal performance, and if you have registered your Vienna at warranty-woods.co.uk, you can extend the warranty up to 6 years by replacing the filter at least annually
