Wood's LD24

Dehumidifier for drying laundry

- **Effectively dries laundry while dehumidifying the entire room**
- **Removes up to 12 litres of moisture per day**
- **Air flow of 200 m³/hour**
- **Safe humidity control down to +2°C**
- **Manufactured in Sweden**
- **Up to 10-year warranty**

The LD24 is an effective dehumidifier for laundry rooms and basements. With a high dehumidification capacity and powerful fan, it dries laundry quickly and gently and keeps the space free from moisture. Perfect for families with lots of laundry. It is easy to use, with a manual knob to set the desired humidity, a mould filter, a large water tank and the option of connecting a hose. The LD24 is manufactured in Sweden with up to 10 years warranty and designed for continuous operation, so it can be safely left on around the clock.
