

# Wood's WCD3PRO

## Dehumidifier for the construction and property industry

- Removes up to 25,5 litres of moisture per day.
- Air flow of 320m<sup>3</sup> per hour.
- Reinforced construction for demanding environments.
- Compatible with condensate pump for extended functionality.
- Safe humidity control down to +2°C.
- Developed and manufactured in Sweden.

Wood's WCD3Pro is a powerful professional dehumidifier for construction sites, water damage restoration and rental. It dehumidifies effectively even at low temperatures (down to +2°C) and combines high dehumidification capacity, robust construction and energy-efficient operation. With its foldable handle, robust wheels, stackable design and operating hour counter, it is ideal for large spaces and demanding environments where reliable moisture removal is crucial.

Wood's article number: WCD3PRO

### Technical specifications

Maximum work area	190 m <sup>2</sup>
Type of system	Compressor
Operating Temperatures	+2 to +35°C
Dehumidification capacity (30°C & 80% RH)	25,5 litres/hour
Power Consumption (30°C & 80% RH)	600 watts
Filter	Washable dust filter
Air flow	220-320 m <sup>3</sup> /h
Fan Speeds	2
Water Tank Size	11,4 liters
Hose coupling	1/2" (not included)
Sound level	56-60 dB (lowest to highest)
Refrigerant	R290/120g
Net Weight	28 kg
Dimensions mm (H x W x D)	595x464x508
Main material	Metal
Power Supply	220-240V, 50Hz
IP class	IPX1
EAN	7332857500659
Article number	WCD3PRO
