Pollen, dust and other airborne particles can make it difficult to sleep for people with pollen allergies and young children. Irritated airways, sneezing and a blocked nose can disturb your sleep and affect both your recovery and well-being. Wood's TALL 155 is a quiet and effective air purifier that filters out harmful particles and creates a healthy sleeping environment. The discreet, wall-mounted design makes it perfect for bedrooms and children's rooms. Manufactured in Sweden and comes with up to a 10-year warranty.
