

Wood's Vienna HSW100

Humidifier for large premises and
open-plan spaces

- Recommended area: up to 210 m².
- Moisture capacity: 1 litre of moisture per hour.
- 9.3 litre water tank for long operating time.
- Extremely energy efficient – only 4–20 W/h.
- Swedish-made with robust, safe metal construction.
- Up to 6 years warranty.

Wood's Vienna HSW100 is an exclusive, Swedish-made premium humidifier for large areas up to 210 m². With a capacity of 1 litre per hour, a large 9.3-litre water tank and extremely energy-efficient operation, it is ideal for entire homes, premises and offices. The very quiet and stepless fan allows you to easily adjust the humidification to your needs. Built in a robust metal construction to last a long time with up to a 6-year warranty with annual filter replacement.
