Wood’s WHU400

Perfect for bedrooms, children's rooms and living rooms

- **Recommended area: 40 m².**
- **Moisture capacity: up to 7.2 litres per day.**
- **3.5 litre water tank**
- **Efficient and energy-saving – only 30 W.**
- **Noise level: <35 dB – quiet and discreet operation.**
- **Ultrasonic technology – spreads moisture as a fine mist**

Wood's WHU400 is a compact and energy-efficient ultrasonic humidifier that disperses moisture as a fine mist, creating a comfortable indoor environment in rooms up to 40 m². It has a capacity of 7.2 litres per day, a 3.5-litre water tank and is very quiet with a noise level below 35 dB. With adjustable humidity (45–75%) and a built-in night light with blue light, it is perfect for bedrooms, children's rooms and living rooms.
