- **Easy to replace – recommended to be replaced at least once a year**

Wood's Swedish-made SMF filter in a smart 5-pack (where you pay for 4). The SMF filter is a unique anti-mould filter that purifies the air from harmful particles. The filter traps pollen, mould spores, dust and other airborne contaminants while protecting your dehumidifier from dirt and wear. By replacing the filter at least once a year, you can extend the life of your dehumidifier and take advantage of Wood's warranty programme with up to 10 years' warranty.
