

Wood's SMF-Filter DS40FS

Anti-mould filter for Wood's
dehumidifiers

- Purifies the air of mould spores, pollen, dust and particles.
- Protects the dehumidifier from dust and dirt.
- Extends the life of the dehumidifier.
- Only fits DS40FS (Not SW, LD, DSC or other dehumidifiers from Wood's).
- Easy to replace – recommended to be replaced at least once a year.

Wood's Swedish-made SMF filter for DS40FS is a unique anti-mould filter that not only reduces humidity together with your dehumidifier, but also purifies the air from harmful particles. The filter traps pollen, mould spores, dust and other airborne pollutants while protecting your dehumidifier from dirt and wear. By replacing the filter at least once a year, you extend the life of your dehumidifier.
