# Universal filter for WHU400 and WHU600

## Anti-scale filters for humidifiers – improves water quality and operation

- **Suitable for Wood's WHU400 and WHU600**
- **Descaling filter – reduces scale in the water**
- **Extends the service life of the humidifier**
- **Improves air quality in the room**
- **Easy to replace – 4 filters in one package**

Wood's Universal Filter is an original accessory for the WHU400 and WHU600 humidifiers. The filter reduces scale in the water and contributes to cleaner and more efficient humidification. It also protects the humidifier from scale deposits and extends its service life. Supplied in a pack of 4 filters that are easy to replace.
