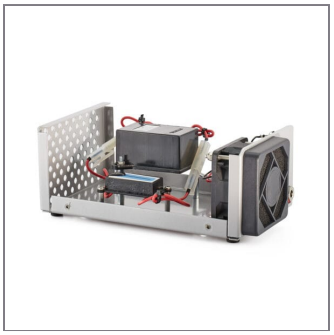
Wood’s Airmaster WOZ 100

Ozone generator for car reconditioning and properties



- **Fixed ozone production: 100 mg/h**
- **Simple on/off button – no timers or menus**
- **Can be powered by 12V (adapter not included) – perfect for cigarette lighter sockets in cars**
- **Robust and energy-efficient design with carrying handle**
- **Developed and manufactured in Sweden**

Wood's Airmaster WOZ 100 is a Swedish-made ozone generator that produces 100 mg/h via a ceramic plate, which quickly eliminates unpleasant odors. It has a simple on/off button, making it very easy to use. Thanks to its 12V power supply (adapter not included), it can be connected directly to a cigarette lighter socket – perfect for car reconditioning. Robust, energy-efficient, and easy to handle.

Technical specifications

Ozone production	**100 mg/h**
