MADE IN SWEDEN

Wood’s Airmaster WOZ 400

Ozone generator for car reconditioning and hotel rooms

CHOOSE ME AS A PROFESSIONAL

- **Fixed ozone production: 500 mg/h**
- **Simple on/off button – no timers or menus**
- **Can be powered by 12V (adapter not included) – perfect for cigarette lighter sockets in cars**
- **Hose connection for targeted ozone treatment (hose optional)**
- **Robust and energy-efficient design with carrying handle**
- **Developed and manufactured in Sweden**

Wood's Airmaster WOZ 400 is a Swedish-made ozone generator that produces 500 mg/h. It has a simple on/off button, making it very easy to use. Thanks to the option of running on 12V (adapter not included), it can be connected directly to a cigarette lighter socket – perfect for car reconditioning. With a hose connection, the ozone can be directed where it is most needed, for example in ventilation or grease traps. Robust, energy-efficient and easy to handle.

Wood’s article number: WOZ400
