Wood's AC Cortina Silent 9K Eco is a compact and powerful air conditioner that quickly and efficiently will lower the temperature in your home or work place, providing a comfortable climate all year around.

The AC Cortina Silent 19K Eco has a digital touch control panel that makes it very easy to use. It is easy to move to where it is needed at the moment, and with the included window kit you avoid drilling holes in your wall. The hot air is easily exhausted out through the window.
